Form 990, Part III, Line 1, Description of Organization Mission:

The Foundation's mission is to combat the most difficult front-line  
issues-mental and physical-facing military heroes and their families by  
increasing the availability of critical mental and physical health  
services and investing in innovative strategies and therapies to  
accelerate rehabilitation and recovery. The Foundation seeks to fulfill

Foundation's mission.

to military installations such as the naval base in San Diego, Camp Pendleton, and the Los Angeles Air Force Base, the Foundation believes this area is an ideal environment in which to raise public awareness of the need to support, and to promote activities designed to support, military personnel.

In addition, because the Foundation expects that its name, logo and trade dress (the "IHF Marks") will be associated with its mission statement, the Foundation intends to license the IHF Marks to corporate partners, usually in exchange for a donation to the Foundation of a portion of the proceeds from the sale of such products using the IHF marks.

The Foundation is committed to dedicating its resources and property for the beneficial use of charitable causes consistent with its mission statement. The Foundation's program services principally consist of support grants it makes to specially selected nonprofit organizations to fund programs that directly benefit our military heroes and their families and to promote the development of innovative rehabilitative programs and therapies. Since its inception, the Foundation has made grants totaling \$4,446,600 in furtherance of its mission.

In 2014, the Foundation conducted the Veterans Innovation Summit for Investing and Technology (VISIT) to propel innovation, accessibility and collaboration among organizations combating the most critical issues facing the returning military community. The event featured prominent panelists and attendees in a dialogue about how to best serve our veterans with cutting-edge technology, novel therapies and
