Hero Served by IHF

Infinite Hero Foundation (IHF) exists to connect our nation's military heroes and their loved ones with innovative and effective treatment programs—at zero cost to them.

Partner with IHF this November for **National Veterans & Military Families Month** — and on **Veterans Day, Tuesday, November 11, 2025**, for our first-ever **Infinite Impact Giving Day**, where donations up to \$50k will be matched by our friends at Black Rifle Coffee Company.

Together, we'll fuel innovations in mental health, medical research, and technology to develop scalable, high-impact programs focused on:

- Suicide Prevention
- Brain Health
- Advanced Physical Rehabilitation
- Family Wellness & Support
- Leadership Development
