

# 22 MILES TO BREAK BOUNDARIES

*Breaking Boundaries. Saving Lives.*

**May 16 – 17, 2026**

**Annapolis, MD | Nationwide Virtual Participation**

## JOIN THE MOVEMENT

22 Miles to Break Boundaries is a nationwide movement honoring our nation's military heroes—and a call to action to advance life-saving mental health and suicide prevention programs for service members and veterans.

Participants join in person in Annapolis, MD, or virtually from across the U.S., choosing between an Endurance Trail Run or the family-friendly Hero Run 5K.

**All proceeds benefit Infinite Hero Foundation and support our mission to elevate the standard of care for military heroes through the most innovative and effective mental health treatments and programs.**

By sponsoring this event, your business demonstrates a meaningful commitment to corporate social responsibility, provides a powerful team-building experience for employees, and supports military mental health through a fully tax-deductible contribution.

**We invite you to stand with us as a sponsor and help turn miles into meaningful, life-saving change.**
